

Save the Day, Be Part of FCCLA

This year we increased our membership by 2.08%. Let's spread the word about FCCLA and set a goal to keep increasing our membership by at least 2% each year!

Family, Career and Community Leaders of America is a dynamic and effective national student organization that helps young men and women become leaders and address important personal, family, work, and societal issues through Family and Consumer Sciences Education. Any student who has taken a course in Family and Consumer Sciences through grade twelve is eligible for active membership in an organized chapter within their school.
